

## PREMIUM SCIENCE, SERVICE AND COMPOUNDED SOLUTIONS

New Drug Loft and VLS Pharmacy is a prestigious compounding pharmacy network that specializes in sterile and non-sterile compounded medication. We are known for delivering a consistent, elevated compounding pharmacy experience that offers the best quality, safety and service standards in the industry.

### Our Difference

- Sophisticated expertise in custom compounded medications with over three decades in the industry supporting physicians and their patients across the country.
- Compliant with United States Pharmacopeia (USP) <795>, <797> and <800> HD.
- Diverse sterile and non-sterile compounding capabilities with state-of-the-art lab facilities and rigorous testing standards.
- In-house prior authorization services for compounded and legend drugs.

### Medical Specialties We Serve
